**RESPONSE TO REQUIREMENT FOR CORRECTED DRAWINGS**

The undersigned, counsel of record in this case, hereby submits new drawings for Figures 1 through 4 which were only recently required after the application had gone to issue. Applicant hereby notes his displeasure at having the Office make such a requirement in April, 2004 when the case was filed in January 2001, and the Office

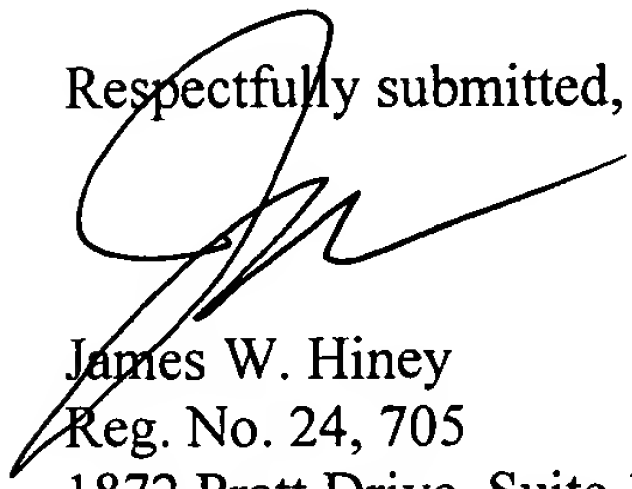

should have made this requirement long ago. There are four figures in the application and corrected drawings are submitted for all four figures.

It is suggested that Ms. Gray call the undersigned upon receipt of this submission so that he can notify the client that the matter has been taken care of and the case has again been forwarded to issue, which is LONG overdue in this application.

If there should be any other matter the Office is requested to contact the undersigned at the below number so that it can be immediately addressed. This matter should be brought to the attention of Ms. Gray at the above address as she called the undersigned today, April 8<sup>th</sup>, to request that the new drawings be sent to her to expedite this matter. Ms. Gray's number is (703) 305-8404.

Submitted herewith are a copy of the Office Form requiring new drawings and the notice page. Also submitted herewith is a stamped postcard which the Office is requested to deposit with the U. S. Postal Service so that applicant has a record of receipt of this mailing and drawings.

Respectfully submitted,

James W. Hiney
